### Open PDI

Entry No.	Name	Result	Comments
O01	Alan West		Overall balance: adequate. Image 6 going out of panel, suggest swap with 1. Image 5 poor quality.
O02	Allan Paice		Overall balance: good. Shop ceiling and Riding the Waves excellent. Young deer particularly enjoyable, beautiful texture.
O03	Gabi Heuchel		Overall balance: a bit clumsy. Image 3 captures the period perfectly, especially the sepia treatment. Two contemporary figures spoil the atmosphere.
O04	Graham Foote		Overall balance: could be improved. (suggest 1,5,4,3,2,6,7) Image 7 insect not sharp
O05	Keith Newton		Overall balance: fine but suggest you lose image 4. Look into my eyes best image. Rastafarian unnecessarily over egged.
O06	Keith Taylor		Overall balance: good. Young man has quite a sinister leer - touch of the Clockwork Orange poster.
O07	Rick Roberts		Overall balance: could be better. Image 4 background too harsh and dominating. Image 6 brilliant. Image 8 much enjoyed.
O08	Francis Bryan		Overall balance: needs attention. 4 portrait and 4 landscape not the best arrangement. Suggest you try 4,6,7,3,5,8,2. Lose No.1
O09	Colin Fieldgate		Overall balance: thoughtfully set out. Leopard brilliant. 'Petals' incongruous and overpowering - the only jarring note.
O10	Fred Oudkerk	HC	Overall Balance: very pleasing. Scans well and hangs together colour wise. Would be even better if 3 and 4 were the same format.
O11	Gary Baker		Overall balance: arrangement needs consideration. Pink flower dominates. Panel is 3 and 3 - does not scan well.
O12	Steve Banks	RUNNER UP	Overall balance: carefully thought out and works well. All images good, No. 7 particularly interesting.
O13	Chris Cranford		Overall balance: almost works. ? 1 more image necessary. Unbalances the panel. ? swap 7 and 8
O14	Derek Trendell		Overall balance: doesn't quite work. Consider rearrangement. (1,5,3,4,2,6,7) or (1,6,3,4,2,5,7)
O15	Jim Munday	WINNER	Overall balance: Excellent. Visual and colour balance very pleasing. Individual images very good.
