Guidance to Selection Panel Members

This Selection Panel is primarily selecting prints to represent the club in the 2016 SCPF Championships. Thus, we need to select on the basis of high initial impact, photographic quality, strong pictorial content and ability to stand out from other prints.

Please score each Print between 2 and 5. No half marks.

Suggest that only the very best Prints, ie those that you would score 10 in our club advanced class open competitions, are given a score of 5.

Suggest that Prints that you would score 9.0 or 9.5 in our club advanced class open competitions, are given a score of 4.

Suggest that Prints that you would score 8.0 or 8.5 in our club advanced class open competitions, are given a score of 3.

Suggest that any Prints that you would score less than 8.0 in our club advanced class open competitions, are given a score of 2.

If this guidance is applied appropriately then a competent Print would score 3, a less than competent Print would score 2, a strong Print would score 4 and an excellent Print would score 5.

Please add any comments that you wish to be considered during selection finalisation.
