## **Guidance to Selection Panel Members**

This Selection Panel is primarily selecting prints to represent the club in the 2016/17 SCPF Print League and the 2016 SPA Print ICC. Thus, Selection Panel Members scoring should be on the basis of high initial impact that makes it stand out from other Prints, excellent photographic quality, clear evidence of the photographer's skills and their input at both the taking and post processing stages.

Please score each Print between 2 and 5. No half marks.

Only the very best Prints, ie those that you would score 10 in our club advanced class open competitions, should be given a score of 5.

Prints that you would score 9.0 or 9.5 in our club advanced class open competitions, should be given a score of 4.

Prints that you would score 8.0 or 8.5 in our club advanced class open competitions, should be given a score of 3.

Prints that you would score less than 8.0 in our club advanced class open competitions, should be given a score of 2.

If this guidance is applied appropriately then a competent Print would score 3, a less than competent Print would score 2, a strong Print would score 4 and an excellent Print would score 5.

Please add any comments that you wish to be considered during selection finalisation.
