Guidance to Selection Panel Members

This Selection Panel is selecting prints to represent the club in the 2018/19 SCPF Print League, 2019 SCPF Exhibition and 2018 SPA Inter-Club Print Competition.

Selection Panel scoring should be on the basis of high initial impact that makes a print stand out from other prints, excellent photographic quality, clear evidence of the photographer's skills and their input at both the taking and post processing stages to produce an outstanding print.

Please score each Print between 2 and 5. No half marks.

Only the very best Prints, ie those that you would score 10 in our Division 1 class open competitions, should be given a score of 5.

Prints that you would score 9.0 or 9.5 in our Division 1 open competitions, should be given a score of 4.

Prints that you would score 8.0 or 8.5 in our Division 1 open competitions, should be given a score of 3.

Prints that you would score less than 8.0 in our Division 1 class open competitions, should be given a score of 2.

If this guidance is applied appropriately then:

- **a competent Print would score 3**
- **a less than competent Print would score 2**
- **a strong Print would score 4**
- **and an excellent Print would score 5.**

Please add any comments that you wish to be considered during selection finalisation.
