As Brian announced on 27 June, the committee has decided not to continue with the Print competitions this season, but to finish the series at Round 4. To complete the league tables, the best second entry scores from rounds 1-4 from each member have been taken into account. These scores have been entered in red on the table. The table then adds the top 5 scores, as usual, to get the final total for each member.

Congratulations to Brian Howe, in first place with 49.5 points; Christine Campbell, second with 48 points and Francis Bryan and Gary Baker, third with 47 points. Very well done all of you!
