Entry No.	Photographer	Result	Comments
O1	Derek Trendell		Reasonable harmony.
O2	Jim Munday	RUNNER UP	Good uniform presentation. Strong individual images. Possible better arrangement - swap Top L for Bottom L?
O3	Keith Newton		Suggest swap Top L for Bottom R. Top L Black and White - does it fit in?
O4	Roland Portsmouth		Bottom L does not fit in. Other 5 images strong.
O5	Chris Cranford	HC	Middle R is a lovely image. Shapes and sizes have been well done. Panel hangs together very well.
O6	Adrian Wehrle		Top L image is super. Bottom L image oversharpened?
O7	Colin Fieldgate		The two sports shots are very strong. Top two images don't work too well together. Harmony issues.
O8	Phil Morley		Top L image - placement of figures is super. Strong individual photos. Middle L image out of place.
O9	Christine Campbell		Strong individual photos. Bottom L out of place - lighting flat compared to the other images.
O10	Allan Paice		Reasonable harmony. Quality issues with Middle photo
O11	Gary Baker	WINNER	Top row - shapes work well together. Strong panel with good quality photos.
O12	Kerry Dutton		Bottom row works OK. Top L image - super picture, but does it work with rest of panel?
O13	Keith Taylor		Good arrangement. Works well.
O14	Simon Barrett		Arrangement too random. Lighting on Middle L and Bottom R is super. Disparity of sizes.
O15	Shareen Downe		Lighting on Middle image is super. Bottom R image does not fit.
O16	Brian Howe		Two middle images work OK. Top two photos - different paper and size. Strong images - Top L is great.
O17	Alan West		Bottom L doesn't fit in with other images.
