Guidance to Selection Panel Members

This Selection Panel is primarily to select PDIs to represent the club in the 2017 SCPF Championship and the 2017 SPA Inter-club PDI Competition. Thus, Selection Panel Members scoring should be on the basis of high initial impact that makes it stand out from other PDIs, excellent photographic quality, clear evidence of the photographer skills and their input at both the taking and post processing stages.

Please score each PDI between 2 and 5. No half marks.

Only the very best PDIs, ie those that you would score 10 in our club open advanced class competitions, should be given a score of 5.

PDIs that you would score 9.0 or 9.5 in our club open advanced class competitions, should be given a score of 4.

PDIs that you would score 8.0 or 8.5 in our club open advanced class competitions, should be given a score of 3.

Any PDI that you would score less than 8.0 in our club open advanced class competitions, should be given a score of 2.

If this guidance is applied appropriately then a competent PDI would score 3, a less than competent PDI would score 2, a strong PDI would score 4 and an excellent PDI would score 5.

Please add any comments that you consider relevant when the final selection is made.
